### Guest Speaker

The morning's feature presentation was delivered by Dyke Weatherington. Mr. Weatherington is the Deputy of the Unmanned Aircraft Systems Planning Task Force for the Office of Secretary of Defense. ### Chapter Business

Chapter leadership polled the membership regarding co-sponsorship of a golf tournament in conjunction with the AUVSI Symposium on Friday, August 10. Interested members checked with several golf courses, including Army-Navy Country Club, Ft. Belvoir, and Quantico. Schedule and logistical conflicts at each course led to the decision to plan further ahead for the next opportunity and consider a standalone tournament at another time.
